1. What data I collect

I do not use Google Analytics or any similar tools to track users. (I do not see any point or benefit in doing so.)

However, the website uses certain services and components that are necessary for it to work properly. Technical data may be collected through third-party services, such as Cloudflare and other services required to operate the website.

I do not use this data to profile or track you.

2. Purpose of data processing

Technical data, including IP addresses and server logs, may be processed only for:

- displaying the website correctly,
- preventing abuse,
- maintaining the security of the website.

I do not create user databases or track behavior on the website.

3. Your rights

You have the right to:

- access your personal data,
- request that it be corrected,
- request that it be deleted.

To exercise these rights, you may contact me by email or SMS.

I respond within 7-14 days.

4. Cookies

I do not use cookies for tracking or profiling.

The website may use essential technical cookies, for example to keep a session working correctly or to operate a mobile menu.

5. Changes to this Privacy Policy

This Privacy Policy may be updated. The latest version will always be available on this website.
